PROBLEMATIC REMARKS

- 1. During inspector arrival, the factory just packed 10 cartons for inspection.
- Actual finding 4sets per inner carton instead of 6sets per inner carton provide by supplier. During inspection, the factory said they would change the packing way to keep 6 sets per inner carton when all goods were finished.
- 3. All sampled samples were not compression packing, the factory said it would be changed later. Need to be confirmed.
- The factory only provided the basic information of product. No product details and packing were provided by client. Please refer to actual photos.
- 5. Factory did not provide approval sample for reference.
- 6. Found no protective board in carton.
- 7. There was no relevant laboratory test report of the product.

Please see below attached photos to demonstrate the above Problematic Remarks:
