RESULT Due to Remark #.:	OVERALL INSPECTION RESULT		PEND	Due to Remark #.:
--------------------------	---------------------------	--	------	-------------------

PROBLEMATIC REMARKS

- 1. Actually found that there was no short circuit protection structure in the product.
- 2. For item HCM-J6, the colors of the handle and the heating rod are slightly different. Please check the pictures.
- 3. Actually found 4 cartons of SPARE PARTS on inspection site. Please check the list on the photo.
- For hair stick, there were two colors in a box and 12pcs for each color.
- 5. Factory could not to provide the human hair to perform the actual function test for hair curling.
- 6. No approval samples & type of dryer's plug & components data form (CDF) & PO sheet & packing information available for comparison during inspection, to be confirmed.
- 7. Factory refused to do product bare drop test & export carton drop test.
- 8. No testing certificate provides for reference during inspection.

Please see below attached photos to demonstrate the above Problematic Remarks:

Remark 1: For item HCM-J6, the colors of the handle and the heating rod are different. Please check the pictures.

Notice: This report is issued by the company under its General Conditions for inspection, assessment, technical assistance. The issuance of this report does not exonerate buyers or sellers from exercising all their rights and discharging all their liabilities under the contract of sales. Stipulations to the contrary are not binding on the company. The company's responsibility under this report is limited to proven negligence and will in no case be more than eight times the amount of the fees or commission, which will be paid by free Man-day.
